David,

Blair and I wanted to write and thank you for the incredible job you did with our wedding. Since the photos have been released, we have had more than few friends and family begin conversations with great enthusiasm and the phrase "First, I just have to tell you how incredible your pictures are!" The next thing out of their mouths is usually "Where did you find him?" or "I don't know how much you guys paid, but he was worth every penny!"

From our perspective the photos were of course gorgeous. You just have a way of capturing the true intimacy and personality in your pictures so well; it made them feel like our own memories. Somehow you completely blended into the background only to materialize right when you saw something special we wanted captured. I have to say, I felt really bad interrupting your otherwise quick dinner no less than three times. But, like a true professional you were totally committed to capturing our day making all else secondary, even your own comfort.

Your photographs made Blair feel as beautiful as I know she is which absolutely made her day. We knew we did not want to compromise when it came to our photography, and looking back we are very glad we did not.

We also really appreciated your not keeping us from our friends and family at the reception. When you told us you needed us for about ten minutes, you meant it! What was amazing was how many wonderful photographs came out of those ten minutes. You did not waste a minute of our time, and made the absolute most of each second we spent with you.

Thank you again for everything. Your work speaks for itself, but what can't be seen is the professionalism and genuine passion with which you carry out your job. If we had it to do all over again, your check would be the first one written.

David,

When we started looking for a photographer for Cara & Shawn's wedding I obviously wanted someone who was professional and had the ability to take good pictures. My desire was to find someone who understood how important it was to capture the beauty of those precious moments; you've given us all of this and more than I could have hoped for.

Your gift of taking an ordinary action and making it extraordinary, much less the celebration of a marriage, your professionalism, and your love for the art of photography is obvious in your work. I'm certain that I am not the only client who sees you as the epitome of what a photographer should be, but I wanted to take this opportunity to tell you that as Cara's mother I sincerely appreciate the memories you have given our family in pictures; something that will be cherished for years to come.

I know you take pride in what you do and you should. I'm so anxious to see the remainder of the images and hope that the day will come when our paths cross again.

Warmest Regards,

Connie (Mother of Bride)

Dave,

YOU ARE INCREDIBLE!!! We had to pull off the side of the road when I started the link for the slide show because we were crying at how beautiful your images are... I didn't want Mike to wreck us on 95 South one day post marriage! Ha Ha They look like magazine photos... Absolutely INCREDIBLE... We appreciated your work before, but WOW... What you can do with a Obstinate Bride and a Detail Crazy Groom is unbelievable... Thank you so much... We can't wait to see the rest... But we will spend our entire Honeymoon watching your images over and over.... Thank you for taking good care of us and taking time out of your Sunday to put this show together...

You are a True Romantic and Artist at Heart...

David,

John and I wanted to thank you for all the time, energy, and fun photographing our wedding. Not every photographer also gets involved in so much of the planning!! You were always so kind and generous with your time and advice. Above all, we love the photos. You are the best! Thank you for being our photographer and becoming our friend!

David

Thank you so much for not only taking fantastic photos of our engagement, but also for putting them in such a beautiful album! What a wonderful surprise! We have received so many compliments on this album! The one "concept" we hear over and over after friends and family have viewed the album is that they are amazed by how vividly you were able to capture the range and depth of the feelings and emotions Jay and I have for each other! Thank you for showing on film all that we have inside. Thanks again for the beautiful album!

Jay & Rebecca (Bride & Groom)

David,

Now that the dust has settled a bit, I want to thank you for the beautiful moments you captured on our wedding day. As I look at your pictures, I can't help but feel like I am back reliving those wonderful times. Each picture shows such emotion and really tells the story of the day so well. You can feel our happiness in each shot.

Your pictures will be a special part of our lives for years to come. They will evoke the wonderful memories of one of the greatest days of our lives. Thank you for that priceless gift.

Love,

Megan (Bride)

Dave,

"Amazing" is the word that comes to mind when I look at the pictures you took of my sister at her wedding! Your ability to truly "capture the moment" throughout the day demonstrates the talent you possess.

When Jenny and I first saw your work on your website, we knew immediately that she had to book you for her wedding day! Our first impression of your work is one that can not even compare to the lasting impression of the wedding day that you have given her through your images.

I am truly eager to see the pure joy on Jenny & Brian's faces as they look at the pictures for the first time when they return from their honeymoon. I am certain, that as they grow into an "old married couple", they will feel that same joy when they look at the pictures, all thanks to you!

Wishing that you and your family are well and much continued success.

Beth (Bridesmaid/Sister)

We all knew Sabrina was getting engaged but we didn't know how soon. Little did my parents know that there would be two weddings in one year. As soon as Ric asked Sabrina to marry him and the wedding planning started, the first thing on the list of things to do was to CALL DAVID. We all enjoyed working with him for my wedding and were amazed by his creative eye. It was only natural for him to be the first on the list of people to call for Sabrina's wedding. We are all so excited to work with David again for Sabrina and Ric's wedding and can't wait to see what beautiful, timeless, and unique photographs come about.

Stacey (Bride)

Dave,

What a fantastic slideshow you prepared for our wedding! Is there anything that you can't do?? Wow! Thank you so much for putting that together... It is like re-living my wedding day again (or realizing all the things that happened for the first time)! You have definitely raised the bar for photographers....

After we landed on the runway coming home from St. Lucia and turned on our cell phones, there were several messages for us regarding the pictures that were already up on your website! Needless to say, I think that my friends and family are big fans of yours!

David,

Let me begin by telling you that we received your email on Monday and still today we cannot put into words how beautiful it turned out. STUNNING and CAPTIVATING do not even touch on the countless adjectives we could think of at this moment. We have both sat in front of the computer attempting to leave a comment on your blog with no success. Words just can't express the way we feel. You didn't miss a thing and we are so fortunate that we selected a photographer that not only is talented and professional, but a person who took the time to get to know us as a couple and captured the essence of happiness on our wedding day. Your passion for what you do is exposed in each one of those pictures and I cannot comprehend how you had the energy to put something so wonderful together for us the very next day. Your dedication, passion and integrity have obviously gotten you to this point and we cannot be more appreciative of the job you did.

Thank you for making all of our memories special and beautiful.

Love,

Brandy & Seamus (Bride & Groom)

David,

And the music just gives you goosebumps...=) It will certainly keep me coming back anytime I need a good cry...a happy cry, that is...=) We are looking forward to reliving our wedding day through your eyes! Can I just say that you were a hit at our wedding...all of our guests just raved about you!!!! Needless to say, in anticipation of our photos, everyone has been checking out your new website and cannot say enough about your photography...your photographs are truly a work of art!!! I feel so lucky to have had you at our wedding to capture the memories of the happiest day of my life! I cannot thank you enough!!! Can't wait to see the photos!

See you soon!

Sharon (Bride)

David,

Tim and I just want to thank you for capturing our day! We can't wait to see the pictures! We totally made a right decision in hiring you and it was good to have someone we felt that we could trust to capture all those important and memorable moments of the day. We had a great time and even though you were working hard, I hope you enjoyed the day too! Please tell me that you and your assistant got to eat something. Take care and we look forward to hearing from you soon!

Monica (Bride)

Dave,

Sorry I haven't written sooner. I have been trying to get settled in to married life in Baltimore! Wow! That is all I can say about our wedding pictures. You did an absolutely amazing job. Every time Paul and I watch the slide show on your website it brings tears to our eyes. We had such an amazing time at our wedding and we are so happy to be able to relive it through your pictures. They are something that we will be able to treasure forever. We have showed family, friends and even people we don't know the pictures. Everyone tells us how amazing they are. Several people have told us that they expect to see pictures like that in a magazine. You have definitely found your true calling.

Jennifer (Bride)

Hi Dave,

Words can't express how happy we are with the pictures and the experience of working with you. It was such an amazing time. Ric and I, as well as our families, are thrilled with the pictures!!! We absolutely love them! I knew we would. I was completely confident in how they would turn out. You did a phenomenal job capturing the moments of our day. We can look at them and remember exactly how the day flowed.

Ric and I were excited to come home from Jamaica to see the pictures. It gave us something to look forward to. Ric has stated over and over, "I'm glad we got David!...You were right!". It means a lot to be completely blown away by your wedding pictures and on top of that, the opportunity to work with such a great guy. You produce the pictures you do because people feel comfortable with you. You have a way of making people feel good about themselves. You make them laugh! :) What a gift!

Everyone at the wedding loved the engagement shots (big surprise!). Thanks so much for the slide show presentation. It added a nice touch to the reception. Our guests really enjoyed viewing it. It's nice to have something like that to hold on to.

Ric and I certainly look forward to working with you again if you are able. We can't think of anyone else we would want more to document the special moments in our lives than you.

Sabrina and Ric (Bride & Groom)

David,

We are quickly approaching our 2nd anniversary, and again, I wanted to personally THANK YOU for making our day wonderful through the eyes of your lens. We appreciated all your time (from the hairdresser to the end of the reception!) and professionalism.

We still look at our pictures and every time we do, we continue to see something very unique. You are more than a photographer, you make life eternal. Thanks for making our day timeless.

Thank you,
Maurice and Tracey

David,

What can I say? WOW!! Each time I visit the site I get so teary eyed, you truly have the eye to capture those special and incredible moments. I have no doubt Stacey will be very pleased once she has the opportunity to check them out. You are also aware of your other big fan, Sabrina. She is also awe struck with the incredible pictures. There is no doubt you will be seeing us again. You were well worth every dollar. Everyone could see the hard work and focus you put into this. You are in a different league compared to the other photographers. Do not hesitate to share our name and phone number for references. I had so many to comment on your hard work, the professionalism, how outgoing and what a wonderful personality you have. There were many guests that wanted your contact information, and of course we were willing to share this information. Can't wait to see the other photos.

Cathy Whitley (Mother of Bride)

David,

I just sent our family and friends the wedding album via pictage...wow You did a truly amazing job! Jim and I were giddy with excitement as we viewed each folder, and on more than one occasion we looked at each other and said, David is truly an artist. You painted the picture of THE most special day in our lives and we can never thank you enough. We giggled the day of the wedding as you led us to the "perfect spot" for our photos after the wedding and when we saw the results we were speechless! Funny the Washington Post used the same area for a photo that did on Fort Monroe just last week!

Tammy - Bride

Dave,

You are the BEST! Thank You for being with us on Jennifer's special day - you were able to make everyone see why I am so proud of my daughter - she is beautiful on the outside and inside both - we did a lot of planning for this wonderful day, and it was ALL worth it. You captured every essence and emotion of the day with "your eyes" - you made me cry tears of joy and pride! I thank you from the bottom of my heart - you will always have a place with us. Friends forever

Linda (Mother of Bride)

I am speechless! The album is the most beautiful thing I have ever seen. It was beautiful before the changes and now with them it is so unbelievably perfect that when I watched the slideshow of it just now it brought me to tears. Throughout this whole process where I know I have probably driven you insane with my annoying ridiculous self you have been nothing but wonderful. I am so thankful that you were the one who photographed the most important day of my life and everything you have gone out of your way to do for Nate and I means more to us than you could ever imagine. Thank you so much from the bottom of our hearts for capturing our day so phenomenally perfect and creating a wedding album that we will cherish every day for the rest of our lives. We are so blessed to have been able to work with an artist like you and I am so proud to have your logo on the opening page of my book for everyone to see (and everyone on earth will be looking at this album!:))

Thank you again Dave, so very much for putting up with us and being so wonderful about it. You are truly a rarity in this world to be so talented in your art form and so compassionate to others in your life.

With our sincere gratitude,

Rainey and Nate (Bride & Groom)

David,

I would absolutely recommend David Schwartz as a wedding photographer. What bride doesn't want the story of her romance, family, and the fun of her wedding told through pictures? David's strength is truly creating the story of your wedding day with all the art, glamour and flash of say...Style Magazine's Celebrity wedding spreads - yet he doesn't compromise the personal touch, intimacy and beauty of your very personal wedding. In addition, the before, during and after process of working with David is a piece of cake! As a bride, I was grateful to have one less thing to WORRY about. David's contracts are clear and easy - no hidden anything, he's accessible up to that final moment, and he pretty much has a great attitude dealing with not only the bride, facility, other vendors - virtually everyone involved in the big day. Finally - just take a look at his website...it says it all :-)

Patricia & Ray (Bride & Groom)

Not only is David a fabulous photographer, he is so personable that you will immediately feel comfortable. All of my friends and family enjoyed having him as a part of our special day. I must say that having David as your photographer will be the best choice you can make. I am 44 years old and he made me look and feel beautiful on my wedding day! He was also able to accommodate our special requests and make our picture collection unique.

Jackie & Steven (Bride & Groom)

David,

You are worth EVERY penny! The photos are PHENOMINAL! I can't wait to show Jana when she get's home from work. Spectacular... you are truly gifted... I am totally impressed...more than impressed really... It's fun to look at the photos and relive the day. Thank you for documenting our special day. Several people commented on how much they liked you (and your shirt!)

Jana & Yo

David,

Your invisible hands-on approach truly fit our wedding, and the results were spectacular. We were both astonished and amazed by how you were able to capture so succinctly the mood and moments of the entire day without us even noticing. Your ability to capture the smallest detail while still documenting the major happenings has given us an incredible and comprehensive set of images; which we will forever cherish as the mementos of the most important day of our life together.

Carrie & Jim (Bride & Groom)

Dave,

We wanted to say thank you so much. We had such a great time with you on our special day, and we think the pictures are fabulous and definitely worthy of some head-turning. Your time with us put us in such a comfortable mood. Thanks for treating us like friends, and not just "clients".

Truth and Alisa (Bride & Groom)

Dave,

I LOVE THE PICTURES. I want to thank you so much! I knew from the moment I saw your web site when I was searching for photographers for my wedding, that you were the one I had to have. Your work is amazing and I visit your web site almost everyday to see what new pictures you have taken. I am so happy with the pictures I saw online and I know I made the best choice when choosing you as my photographer. Jeremy and I had a wonderful day and we are so glad that you were able to capture everything so perfectly. Thank you for taking pictures that will let us remember our special day forever.

Dave

I was so excited to get an email that my pictures were ready! As I thought, they were incredible!!!!!! I am so happy with the shots that you got! All of the pictures are truly amazing and they are everything I'd hoped they would be... Thank you so very much for capturing our day in such an incredible way! We would highly recommend David Schwartz Photography! He more than exceeded our expectations...when I saw our wedding pictures, it really told a story of our wedding day instead of a lot of stiff, posed pictures. Many things went wrong on our day, but looking at the pictures, it looked as if it was the most perfect day! Choosing the pictures will be the hardest part! Dave, we love your work! Best of luck!

Angie and Jaret (Bride & Groom)

Having David as our photographer was like having a friend or family member take our wedding pictures.

Diane (Mother of Bride)

David was a true professional and a great person to have captured our big day. His talent and great personality were the perfect combination for our needs. **Debbie (Mother of Bride)**

David,

Just wanted to let you know how fabulous I think your work is. I have never seen such great work & I am at a loss to express how beautiful the pictures are. I am mom to a flower girl & baby in the aisle w/basket at the Klump/Carpenter wedding. I can't wait to see the rest. I am finding it difficult to express exactly what I want to say but you really have found your special gift.

Elizabeth (Friend of Bride)
